

VERSATILITY MEETS FISHABILITY

ENGINEERED FOR SPEED AND STABILITY

For the Angler with a season full of long days, long distances, and all kinds of water, the Tarpon series is the ultimate workhorse. The award-winning kayak design offers both agility and speed to zip from spot to spot, but also the right amount of stability for fighting against a fish or against rough waters. Now, run and gun doesn't come with a monthly payment.

LOAD UP WITHOUT SLOWING DOWN

The intuitive layout allows for a wide range of body sizes and gives easy access to gear stowed in the tankwell – plus plenty of space leftover for rigging. With the exclusive SlideTrax accessory system,

easily add and remove outfitting on the fly to trick out your kayak whenever and however. No drills necessary.

FULLY ADJUSTABLE. ALL DAY COMFORTABLE

Find the all-day comfort you'll need in the ergonomically designed Phase 3 seat. Unprecedented body fit from seat and precision adjustment settings, patented height-adjustable backrest, and leg supports with quick-adjusting technology.

GO WHERE YOU'VE BEEN AND WHERE YOU HAVEN'T

From the flats, to ponds, to big water; tailing redfish, scouting big bass, or chasing smallies – the Tarpon series is the leading all-around sit-on-top kayak for anglers.

Angler Package also includes:
3.5 lb Anchor w/ Bag

"When I need to focus on catching fish regardless of the area or conditions, my Tarpon 140 is my go to kayak. Since I prefer fishing to paddling, I need a kayak that is a good fishing platform. From comfort to stability to rigging... the 140 does it all."
