# RIDE ADVANCE ANGLER

## ELEVATING THE RIDE TO A WHOLE NEW LEVEL OF PERFECTION

Kayak fishing's most iconic name for stability, massive capacity and versatile performance- and now it's even better. Featuring the new elevated Phase 3 AirPro seating system with over 4" of increased height over the standard Ride seat, the new elevation reduces the effort required to enter and exit without sacrificing the paddling performance or stability. Flat surfaces at the rear can be used to attach gear, while a large opening under the leglifter is the perfect storage place for tackle boxes. The new seat includes breathable, ergo-comfort pads; more back support; and improved ventilation.

Angler Package also includes:  
10"x10" STS Pads (2), Rudder Ready

Made in the USA

### COLORS

"The Ride series of fishing kayaks offers more versatility and rigging options than any other kayak available. This versatility improved even more with the introduction of the Phase 3 AirPro Advance Seat which makes standing even easier than before. The Ride is the ATV of fishing kayaks and now it comes in two sizes and seating options."
